### Pakistan Pediatric Association Vaccinated 930 children against Typhoid fever at IDP camps at Bin Qasim Town

Sunday, the 26<sup>th</sup> September 2010. To prevent flood effected Pediatric Association held 3 Vaccination Camps at Bin Qasim Town on 26/9/10. 930 children aged 2-12 years were vaccinated against Typhoid Fever at Razzakabad, Gulshan-e-Hadeed and Swedish Institute IDP camps. Best available vaccines were procured for the activity. MDA-UK funded PPA for the vaccines. Many leading Pediatricians of the city participated in these camps, including Dr. Imtiaz Ali Khan, Dr. Haseena Chagani, Dr. Khalid Shafi, Dr. Hassan Khalid Zuberi, Dr. Sultan Mustafa, Dr. Mushtaq Memon, Dr. Fehmeena Arif, Dr. Gulrukh, Dr. Mushtaq Memon, Dr. Qamaruzzaman & Dr. Suleman. The activity was facilitated by Dr. Ejaz Zafar (D.O. Health), Dr. Yunus Chachar (THO) & Dr. Jabbar (DTHO) Bin Qasim Town of CDGK health department. PPA has planned to conduct a series of such vaccination camps for flood effected children across the country for which APPNA has assured full support.

Under PPA-MDAUK Project 1170 more children will be vaccinated, other than that under this project Rs.5 million will be provided for Medicines and Nutrition Food for flood effected children.

"Associations of Pakistani Pediatrician of North America" (APPNA) will help PPA for the project "PPA-APPNA project" in the first phase more than 8000 children will be vaccinated all over Pakistan.

There is a bright chance of success and expansion of these projects.

Sincerely,

Prof. M. A. Arif  
Secretary General  
PPA
